NAPLAN

NAPLAN will be held from Tuesday 10 May to Thursday 12 May. Once again we will be offering breakfast each morning for all students in Years 3 and 5 who are sitting the test.

WOW DAY 13/5/16

We will be celebrating WOW day on Friday 13/5/16. This is a day of recognition and appreciation where the dedicated work of State Emergency Service (SES) volunteers is celebrated across Australia.

Local SES volunteers will be visiting our school between 11:30 and 1pm to talk to the children and we are hoping that Paddy Platypus will be able to make an appearance as well. Parents are welcome to join us. The children will be making posters for the day. Students can wear mufti

and are asked to wear something orange. Families are asked to donate a plate of food (Something orange to go with our theme if possible) for the children to share with our SES guests and visitors. The 2-3 class will be making WOW pop cakes to share.

SCHOOL PHOTOS

Tuesday 17 May is our School Photo Day. We have attached photo envelopes for each child which need to be completed and returned on photo day with the correct money enclosed. Family photo envelopes are also available at the office. There are two other options for payment if you do not wish to pay on the day. You can go to their web site or pay over the phone. Please see the attached note with the photo envelope for details. Students are asked to come to school in full school uniform (new shirt).

Good luck to the students who were competing in the Clarence District Cross Country today. Ash, Bailey, Regan, Ethan S, Mandawuy, Simone & Mani all qualified to compete today.

"Eat food. Not too much. Mostly plants."

(Michael Pollan 'In Defense of Food')

Having trouble with your child not liking vegetables? Did you know rewards can be used effectively alongside repeated exposure to vegetables in order to increase a child's liking of vegetables?

Rewards need to be non-food rewards, like stickers to put on a chart, and you need to expose kids to each vegetable eight or nine times over two weeks. Every time the child tastes the vegetable, give them a sticker.

By having a reward for trying the vegetable, the children have positive reinforcement and are more willing to try it. Research has shown that this method results in eating more vegetables.
