WEEK 1 TERM 4

12 OCTOBER 2017

WELCOME BACK

Welcome Back. We hope everyone had an enjoyable break and are ready for another busy term.

WEST OF DIVIDE EXCURSION

Our Year 4-6 excursion is in week 5. The final cost of this excursion has been set at \$350. The cost has been reduced after receiving contributions from the P&C, The Wooli Social Club and the school.

FACEBOOK

Wooli Public School now has a facebook page. We will use this page to share and keep everyone updated on what is happening in our school. So head over and give our page a like.

WOOLI RIVER SPRING CLEAN

Our students in years 2,3,4,5 & 6 participated in their second Wooli River Spring Clean on Tuesday. They did a fantastic job removing rubbish from our river bank and we thank them for all their efforts.

SCHOOL HAT REMINDER

Please remember it is important that all students are wearing hats at school. School hats are available at the office at a cost of \$15

Students from our school choir did a great job representing our school by performing at the Woolli Goanna Pulling Championships.

Minnie Water Woolli Surf Life Saving Club

Note: Schedule may change depending on the beach activity on the day.

FRIDAY LUNCHES TERM 4 2017

Friday Lunches will begin again from 20 October 2017. If you are able to help please complete the attached note and return as soon as possible so a roster can be drawn up. As we have not had great response this year for Friday Lunch helpers we are reducing the days to fortnightly which will coincide with a fortnightly newsletter.

***** Ticks Needed for Research *****

If anyone finds ticks on people or pets can you please send them (the tick) to Sydney Uni. Keep it in a zip lock bag and place in the freezer till you can post (If freezing you can place a moist cottonwool ball in the bag too). Write on the bag where the tick was found (town and state) and on (person or animal) and the date/time : the more details they have the better research will be. We are looking for as many ticks as possible to determine whether there is a borrellia species native to Australia and all ticks are welcome. Send it to:

Ann Mitrovic
