They are still required to wear hats.

## SMALL SCHOOLS COMBINED SPELLING BEE

Tamsyn, Isaac and Parker represented our school at the Clarence Valley Community of Small Schools Spelling Bee held at Iluka Public School today. There were 24 students in Stage 2 and 22 students in stage 3. All students are to be commended on their outstanding performance at their first combined school spelling bee in front of a packed audience. Isaac made it to round 3 and Parker got to round 5 in the stage 2 division. Tamsyn was knocked out in the 3rd round of the stage 3 division. The Judges commended the students on their achievements. Excellent results.

## PSSA SOCCER KNOCKOUT

Our football team took a huge step towards the finals of the PSSA knockout competitions. They are now moving beyond the Clarence Valley after a courageous domination of the game against a much larger Palmers Island outfit. The team's dominance was quickly converted with a fine early goal from Sava after an assist from his central midfield partner Ethan. Later in the half, the lead increased after a precise penalty taken by Hunter. During the second half Palmers Island managed to get back into the match with two goals scored against the run of play despite brave goal keeping from Regan. The team again dominated extra time with a fine individual goal from Ash putting the result beyond doubt. The standout players were Ethan with constant hard work in the middle of the park and Hunter marshalling the defensive line.

All smiles with another win to progress to the next round in the PSSA Small Schools Knockout

Congratulations to our Week 8 Award Recipients
