## SMALL SCHOOLS BIG IMPACT CONCERT

What a wonderful performance from our School Band last night. Everyone should be very proud of the way they conducted themselves allowing the whole production to run seamlessly. A huge thank you to Jamie Trevillian for his development and supervision of the Band. Jamie has dedicated many hours in preparation for this night. We would also like to thank Peter & Chris Davis and Glen Gilmore for transporting the musical instruments and helping with the loading and unpacking of all the equipment.

## PSSA SOCCER

Our PSSA soccer team retired from the PSSA knockout competition after a gallant fight back to finish the game at 2 all. A corner kick count-back meant that Moorland Public School progressed to the next round. After a strong start from Wooli, Moorland scored two goals, one from the penalty spot, to take a dominant position. Wooli rallied and fought hard to bring the game back to level after fine goals from Ash and Ethan. Extra time was needed but a much larger Moorland defence held firm and Wooli's brave run in the competition ended. All players are to be congratulated on their strong team effort and we look forward to being bigger and stronger next year. Well done Wooli!

K-1-2 enjoy a little Brain Gym by engaging with the 'Go-Noodle' program.

Encourage your kids to have fun exercising at least 60 minutes each day. It helps with their growth and development and with their concentration at school as well.

Afterschool activities such as dancing, bike riding, walking or skateboarding are great ways for them to be active. They'll also enjoy vigorous activities that make you huff and puff like team sports, running and swimming and it's great to encourage these at least 3 days per week.
