If you are thinking of introducing your child to surf lifesaving, then Minnie Water-Wooli Nippers is the best place to do so.

Surf lifesaving is an amazing activity for growing a child's confidence, knowledge and skills in the beach environment. Not only will your child have fun and meet new friends they will become part of an iconic organisation that has served the Australian community for over 100 years.

Nippers are the name given to the junior members of the surf club. They are aged 5 years and up to 14 years. Nippers start learning about Surf Life Saving and Surf Awareness through the Surf Ed program. Becoming a nipper is an important first step to becoming a Surf Life Saver. Emphasis is on participation and fun. Nippers usually commence in late September and go through to April and activities are held on Sunday mornings but not every week. A calendar will be published with dates and times in the coming month.

We are always looking for assistance on the beach and any volunteers will be given training in the Age Managers role. Without this help on the beach our activities just will not happen! Anyone interested in helping out please contact Junior President – Angela Hinterholz on 0421 778 072 or [jac@mwslsc.org.au](mailto:jac@mwslsc.org.au)
